 Prevent. Promote. Protect.

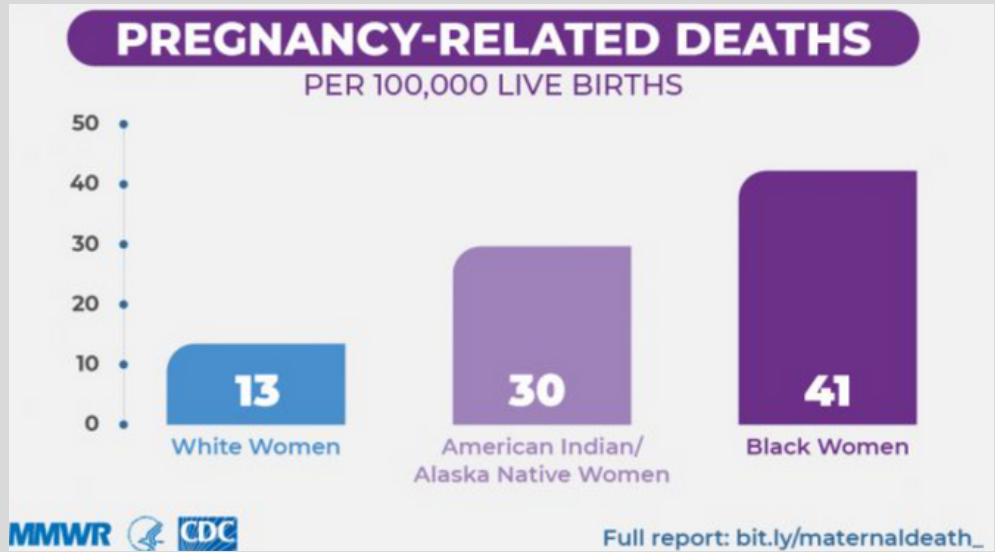

Black Maternal Health Week

April 11th - April 17th

Black women are **3** times more likely to die from pregnancy-related causes than White women.

What contributes to these health disparities?
Variation in quality healthcare, underlying chronic conditions, structural racism, and implicit bias.

[For More Information](#) [CLICK HERE](#)

How to reduce these health disparities:

Improve women’s health and access to quality care in the preconception, pregnancy, and postpartum periods.

Joseph N. DiVincenzo, Jr.,
 Essex County Executive

 Essex County Division of Public Health Management

"To help us better understand the needs of our residents, we are conducting a community survey. The survey will help us identify areas of concern, learn about health issues that are important to our residents and be proactive when planning our public health initiatives. We hope that you take just a few minutes to complete our on-line questionnaire."

Joseph N. DiVincenzo, Jr.

Is Essex County Healthy?

The Healthy Essex Coalition is conducting a survey to understand the concerns and health needs of Essex County residents.

✓ Essex County residents who are 18 and older are encouraged to participate. 

Complete the survey & enter
